2. [redacted] who has been attending the health insurance hearings in the House, advised that he learned today that the FBI was sending the Post Office and Civil Service Committee a letter asking that the Committee amend S. 2152 to permit the Bureau to keep its present group insurance plan which is underwritten by Prudential. [redacted] added that Fred Nelson, Chief Counsel of the Committee, was receptive to this proposal and suggested that the Agency might send the Committee a similar letter.

3. ADVISED Herbert Blits, Administrative Assistant to Senator Jacob K. Javits (R., N.Y.), that the Agency would have no objection to the Senator's stating in a speech that he has been advised by the Director that if the Soviets advance economically in the next six months at the same rate which they have advanced for the first six months of this year they will reach their objective somewhat earlier than indicated in the Director's New Orleans speech.
